

Pet Spray

*Citressence*TM

Multi-Purpose
Natural Odor Counteractant

16 fl. oz. (480 ml)

Neutralizes stubborn pet odors:

- SKUNK
- URINE
- ANIMAL
- FERRET
- FECES
- PREMISE

Ingredients:

Natural botanical extracts and essential oils.

Eliminates odors without the use of overpowering synthetic masking agents or other noxious chemicals.

- SAFE TO USE DIRECTLY ON ANIMALS
- USE ON ANY WATER-SAFE SURFACE
- FORMULATED TO NEUTRALIZE OFFENSIVE ODORS
- MILD NATURAL CITRUS SCENT

Directions:

For use on pets, spray directly on animal, avoiding eyes. Work Citressence into coat. No need to dilute or rinse. For use on other sources of pet odor, apply fine mist to any water-safe surface (linoleum, upholstery, carpet, animal bedding, cages, litter boxes, etc.). To spray, adjust nozzle for appropriate misting.

If possible, remove source of odor immediately. Saturate soiled surface with Citressence to prevent residual odors. Before discarding, spray on odor-causing material as well to maintain a more sanitary waste environment.

Cautions:

Although Citressence is a natural product it requires careful, mature usage. Keep out of reach of children. For external use only. If swallowed, consult a physician.
