

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested Usage: *Food Preparation* (raw fruits, vegetables, and meat): Add 20 drops to a sink of cold water. Soak for 5-10 minutes. *Topical Use:* Fill a 32 oz. pump sprayer with water. Add 10-20 drops of Citrox. Spray surface or skin. Allow to sit for 5-10 minutes, then rinse/wipe. *Oral Use:* Add 8-12 drops to 5 oz. of juice or water several times per day. Due to high acidity content, Citrox should not be used without being diluted. For more information regarding Citrox and its uses, see Citrox Technical Monograph.

Wysong Citrox™ is a concentrate of safe antimicrobial and fungicidal ingredients effective in killing common pathogens such as *E. coli* and *Salmonella*. Assists in retarding spoilage. Can be used as an all-purpose disinfectant for mouth, skin, and cleaning. Can also be taken orally to help enhance immunity and to assist in healing many bacterial, viral, and yeast infections.*

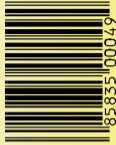

2 fl. oz. (59 ml)

*A Natural
Antimicrobial
For Food & Body*
