

Safe for the environment, people, children and pets.
Wysong – we make products as if health matters.

Erase™ is the perfect all-in-one product for the modern non-toxic home. It is a natural, safe and effective deodorizer for carpet, upholstery, litter boxes, drains, shoes – and is even an effective body deodorant. If left on pet bedding, it effectively kills fleas through desiccation. Combined with a little water into a paste, it is also a wonderful kitchen and bath, surface, toilet and pan cleaner.

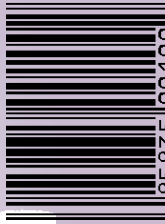

Ingredients:

Trona Mineral Salts, Desiccated Sea Plankton, and Essential Oil of Lavender.

Directions:

Sprinkle lightly atop carpet or furniture. Allow Erase™ to remain on surface for about 10 minutes, and then vacuum if desired.
